COMMANDER TRAILERS

ENCLOSED CARGO TRAILERS

STRONG WHERE IT MATTERS. SMART WHERE IT COUNTS.

Commander enclosed cargo trailers combine dependable construction with practical features designed to make everyday hauling easier. Choose the CTS Series for everyday capability or step up to the CTD Series for enhanced structure, protection, and available options.

SEMI-SCREWLESS ALUMINUM COMPOSITE PANEL EXTERIOR

Bonded aluminum composite panels reduce visible fasteners for a cleaner, smoother exterior finish.

NATURAL-LIGHT TRANSLUCENT ROOF

Brings natural daylight into the cargo area for better visibility when loading, unloading or working inside.

ENGINEERED FLOORS & WALLS

BRAWN® panels use 100% MDI resin to resist moisture, swelling and delamination for long-term performance.

STEEL TUBE WALL FRAMING

1" square steel tube framing reinforces the walls for added strength, rigidity, and long-term durability.

DIAMOND PLATE STONE GUARD

Protects the front wall from road debris to help preserve finish and long-term appearance.

RADIAL TIRES

Provide a smoother ride and more stable towing. Standard on most models, with select compact models equipped with bias-ply tires.

LED LIGHTING

Bright, efficient LED lights enhance visibility for safer travel and deliver long-lasting performance. Sealed design helps protect against moisture and road debris.

CURBSIDE DOOR WITH LOCKS

Dual-lock system adds security while maintaining smooth, reliable operation. Standard on most sizes, with select compact models offering it as an option.
